

# CALLING ALL CITIZEN SCIENTISTS!

**SUNDAY, JULY 17TH 12:30-2:00 PM**  
**M'FINDA KALUNGA GARDEN**  
**RIVINGTON ST BETWEEN CHRYSTIE & FORSYTH**

**Come help be a part of a NY effort to bring back our own state insect, the**

**9 SPOTTED LADYBUG!**

**In a joint effort with the Lost Ladybug Project at Cornell U we will be releasing both the larvae and ladybug stage in MK Garden.**

**We hope that by continuing to increase the diversity of the ladybug population we will keep aphids and other critters from eating our gardens.**

**There will be childrens' art events and general garden fun**
